## ightarrowDAVISON AYSO MEETING MINUTES, 10/20/19ightarrow

## MEMBERS PRESENT: SUSIE, CHRIS, LISA, DIANA, LEAH, COURTNEY, LIZ, KIM, TROY, MIKE, CYNTHIA

September minutes approved and motion to begin the meeting at 6:10pm, first by Diana and second by Courtney. Diane began our meeting by inquiring about helping Dave W. (Our Area Director) by charging each player a dollar extra @ Registration to go towards his traveling expenses since a Nationals no longer help him with any of his traveling expense. Mike suggested that we not charge the players extra money, but that we find out more about the subject and go from there. By getting more information about this subject, we can know where to help if any help is needed.

ROUND TABLE NEWS: SUSIE: Fun Day: June 7, 2020....May 10,2020

Mothers Day.....Memorial Weekend May 23-25, 2020.... CHRIS: This has been a great year for our Coaches. We received 65/65 on the rap. Chris likes the fact of scheduling games "back to back", because you

always have a built in referee.  $\searrow$  SETH: Seth was not here, so Diana took over with the referee news. We have voted in the past to give each referee (youth) a gift card for their hours. There has been talk that Seth steps down and that Trevor takes over as Referee Admin. Ron has shown

interest in being the Ref Assist. XIM & COURTNEY: The registrar's let us know that we have 438 kids in the program. We have 12 players on our waitlist. These will be added by May 21,2020. We have been presented with an idea of moving registration dates up. The earlier we do registration, the earlier we can get our coaches thru the new background check that

takes much more time.  $rac{l}{2}$  DIANA: Diana added the fact that the interplay schedule will be done on June 6,2020. We talked about the scheduling for a more cohesive 5U game plan. The plan would be 1/2 hour practice time

and 1/2 hour play. The time would begin at 9:30am. MIKE: We have \$82,000 or more in our account. No Safety issues to speak of.
