 VISITORS PRESENT: PATRICIA HUTCHINSON, STEPHANY ARNOLD, JAMES MAYS, KATRINA SHARON, & JASON SHARON

Meeting minutes are approved by everyone, and meeting began @ 6:14pm @ MD's. We began the meeting by introducing ourselves to all the visitors. We were enjoying a great meal this month while having our meeting. These minutes may not look like all the other minutes, so I just wanted to warn everyone ahead of time!   

 ROUNDTABLE NEWS:  Trevor will be speaking with Seth soon to see if he would like him to take over the Ref. Admin. Job. We have many people asking about training so we can have more Refs on the fields!  Chris brought up our differences between 5U & 6U as far as practice & then games. We had one coach not pass the background check. We need a quicker way to get the background checks back.  Mike told us that we are doing well money wise. We have \$85,000. Mike asked if might decide on lowering the cost of registration. Giving back to the families that support us. We are good on the safety side.  Ron says all is good with the fields.  Travis uniforms are great being reversible.  Cynthia no VIP players at this time.

Cynthia is so excited that most schools have programs for "differently abled" children.  Lisa has nothing to report at this time.  Concessions is being worked on at this moment. We may have a couple that are willing to run "The Stand" soon. We do have team volunteers that are helping in the concessions. Cynthia motioned to adjourn first and Trevor motioned second.

The next Board Meeting is 10/20/19 @ 6:00pm @ the Church.
